All final exams are extremely important in determining your child's academic success. **Students' presence is mandatory for all exams and until the end of the year.** Grade 6 exams are mandated by the government (MEES). They cannot be missed or retaken. Only the following reasons will be accepted as valid to miss a MEES exam: Serious illness or accident confirmed by a medical report or certificate, death of a close relative or court summons. Failure to report to a MEES exam without a valid reason can render a result of zero on the exam. Please note that some exams are scheduled over many classes, therefore this schedule tells you when the exams start and end for a given grade level. It does not mean that there is an evaluation every day. The evaluations follow the regular schedule of the students. If you have any questions, please contact the school. This schedule only contains the final examinations recommended by the school board and the MEES. **Please note that students are still working on projects and material for term 3.** There might be other exams assigned by teachers which will count for term 3 that are not on this list. Teachers will inform the students of the date. As a reminder, term 3 counts for 60% of the total year mark.
